August 8, 2017

### CONSTRUCTION ON EAST EATON ROAD

Beginning Monday, August 14, and continuing through Thursday, August 17, 2017, City Public Works crews will be performing road work on East Eaton Road between Silverbell Road and Hackamore Lane. The work, in general, consists of repairing a failed section of the eastbound lane.

Local access throughout the project construction zone will be subject to traffic controls and temporary delays in order to accommodate construction crews and equipment. One-lane traffic may be in effect at times. Drivers are encouraged to build extra time into their schedules or plan alternate routes to avoid the project area if possible. The City acknowledges this temporary inconvenience and appreciates your cooperation and patience during this time. Residents and businesses are assured access to their properties at all times.

For questions or concerns regarding this project please call the City's Public Works Operations and Maintenance at 530-894-4200 or email Right-of-Way Maintenance at [rightofwaymaintenance@chicoca.gov](mailto:rightofwaymaintenance@chicoca.gov)
