**THIS SERVICE PROVIDER AGREEMENT** (“Agreement”) is entered into on November 20, 2019, between the City of Chico, a municipal corporation under the laws of the State of California (“City”), Geocon Consultants, Inc., a California corporation, (“Provider”).

**SECTION 1 - DESCRIPTION OF SERVICES**

City desires to hire Provider to perform those certain services described in Exhibit A, entitled “Description of Services.”

**SECTION 2 - SCOPE OF SERVICES**

Provider shall perform and complete services as set forth more particularly in Exhibit B, entitled “Scope of Services” and the Attachments, created by City as services are to be rendered by Provider and numbered sequentially, to Exhibit B.

**SECTION 3 - COMPENSATION**

Provider shall be compensated for services provided to City pursuant to this Agreement periodically in the amounts, manner, and in accordance with the payment schedule as set forth in Exhibit C, entitled “Compensation.” Amounts due to Provider from City for services rendered shall be evidenced by the submission to City by Provider of an invoice, prepared in a form satisfactory to City, setting forth the amount of compensation due for the period covered by it. Each such invoice shall be forwarded to City so as to reach City on or before the 15th day of the month next following the month or months, or other applicable period, for which services invoiced were provided. All such invoices shall be in full accord with any and all applicable provisions of this Agreement. City will make payment on each such invoice within 30 days of receipt of it. However, if Provider submits an invoice which is incorrect, incomplete, or not in accord with the provisions of this Agreement, City shall not be obligated to process any payment to Provider until a correct and complying invoice has been submitted.

**SECTION 4 - TERM; TERMINATION**

The initial term of this Agreement shall be for a period of one year, commencing on     , 2019, and terminating on                     , 2020. Thereafter, the term of this Agreement may be

extended at the option of City for two successive one-year periods. City may, in its sole discretion, terminate this Agreement at any time and for any reason whatsoever by giving at least 10 days prior written notice of such termination to Provider. In this latter event, Provider shall be entitled to compensation for all services performed for City to the date of such termination.

#### **SECTION 5 - RESPONSIBILITY OF PROVIDER**

By executing this Agreement, Provider warrants to City that Provider possesses, or will arrange to secure from others, all of the necessary capabilities, experience, resources and facilities necessary to provide to City the services under this Agreement. In procuring the services of others to assist Provider in performing the services set forth in Exhibit B, Provider shall not employ or otherwise obtain the services of any person or entity known to Provider or City to have, or be likely to develop during the term of this Agreement, an interest that is personally, or professionally, or financially adverse to any interest of City. Provider will follow the best current, generally accepted professional practices in performing tests and procedures, making findings, rendering opinions, preparing factual presentations and providing professional advice and recommendations regarding services rendered under this Agreement.

#### **SECTION 6 - RESPONSIBILITY OF CITY**

To the extent appropriate in relation to services contemplated by this Agreement, City shall:

- a. Assist Provider by placing at Provider's disposal all available information pertinent to services;
- b. Designate in writing a person to act as City's representative with respect to services to be performed under this Agreement. Such person shall have complete authority to transmit instructions, receive information, interpret and define City's policies and decisions with respect to services; and
- c. Give prompt written notice to Provider whenever City observes or otherwise becomes aware of any deficiency in services.

#### **SECTION 7 - INDEMNIFICATION**

To the fullest extent permitted by law, Provider shall defend (with counsel of City's choosing), indemnify and hold City, its officials, officers, employees, volunteers and agents free and harmless from any and all claims, demands, causes of action, costs, expenses, liability, loss, damage or injury of any kind, in law or equity, to property or persons, including wrongful death, in any manner arising out of, pertaining to, or incident to any alleged acts, errors or omissions, or willful misconduct of Provider, its officials, officers, employees, subcontractors, consultants or agents in connection with the services provided for by this Agreement, including without limitation the payment of all consequential damages, expert witness fees and attorneys' fees and other related costs and expenses. Provider shall reimburse City and its officials, officers, employees, agents, and/or volunteers, for any and all legal expenses and costs incurred by each of them in connection therewith or in enforcing the indemnity herein provided.

Provider's responsibility for such defense and indemnity obligations shall survive the termination or completion of this Agreement for the full period of time allowed by law. The defense and indemnification obligations of this Agreement are undertaken in addition to, and shall not in any way be limited by, the insurance obligations contained in this Agreement. Provider's obligation to indemnify shall not be restricted to insurance proceeds, if any, received by City, its directors, officials, officers, employees, agents, or volunteers. Provider's obligation to indemnify, defend and hold harmless the City, its officers, employees and agents for claims involving "Professional Liability" claims involving acts, errors or omissions in the rendering of professional services (as defined in Civil Code section 2782.8(2), specifically, architects (Business & Professions Code section 5500), landscape architects (Business & Professions Code section 5615), professional engineers (Business & Professions Code section 6701), and professional land surveyors (Business & Professions Code section 8701)), shall be limited to the extent caused by Provider's negligent acts, errors or omissions.

### **SECTION 8 - INSURANCE**

Any requirements by City that Provider carry general liability or any other type of insurance in connection with the services to be performed by Provider pursuant to this Agreement shall be as set forth in Exhibit D, entitled "Insurance Provisions."

### **SECTION 9 - CITY ACCESS TO PROVIDER'S RECORDS**

Provider shall maintain all books, records, documents, accounting ledgers, and similar materials relating to services performed for City under this Agreement on file for at least four (4) years following the date of final payment to Provider by City. Any duly authorized representative(s) of City shall have access to such records for the purpose of inspection, audit, and copying at reasonable times, during Provider's usual and customary business hours. Provider shall provide proper facilities to City's representative(s) for access and inspection. Provider shall be entitled to reasonable compensation for time and expenses related to such access and inspection activities, which shall be considered to be an additional service to City, falling under the provisions of Section 3, above.

### **SECTION 10 - INDEPENDENT CONTRACTOR**

City and Provider agree that the relationship created by this Agreement is that of an employer-independent contractor. Provider shall be solely responsible for the conduct and control of services performed under this Agreement. Provider shall be free to render services to others during the term of this Agreement, so long as such activities do not interfere with or diminish Provider's ability to fulfill the obligations to City established herein.

### **SECTION 11 - OWNERSHIP OF DOCUMENTS**

Title to all documents, drawings, specifications, and the like with respect to services performed under this Agreement shall vest with City at such time as City has compensated Provider, as provided herein, for the services rendered by Provider in connection with which they were prepared.

**SECTION 12 - CONFLICT OF INTEREST CODE APPLICABILITY**

If City's City Manager has determined that one or several of Provider's Principal(s) or Project Manager(s) are subject to the City's Conflict of Interest Code under Chico Municipal Code Section 2R.04.180, then each such person will be required to comply with the provisions of said Code in connection with services rendered to City under this Agreement. In such event, City's requirements shall be set forth in Exhibit E, entitled "Conflict of Interest Provisions."

**SECTION 13 - SUBCONTRACTING SERVICES**

Provider shall be entitled, to the extent determined appropriate by Provider, to subcontract any portion of services to be performed under this Agreement. Provider shall be responsible to City for the actions of persons and firms performing subcontracted services. The subcontracting of services by Provider shall not relieve Provider, in any manner, of the obligations and requirements imposed upon Provider by this Agreement.

**SECTION 14 - ASSIGNMENT**

This Agreement is binding on the heirs, successors, and assigns of the parties hereto and shall not be assigned by either City or Provider without the prior written consent of the other.

**SECTION 15 - AMENDMENTS**

This Agreement represents the entire understanding of City and Provider as to those matters contained herein. No prior oral or written understanding shall be of any force or effect with respect to those matters covered in it. This Agreement may not be modified or altered except by amendment in writing signed by both parties. City may at any time, upon a minimum of 10 days written notice, amend the scope of services to be provided under this Agreement. Provider shall, upon receipt of said notice, determine the impact on both time and compensation of such amendment and notify City in writing. Upon agreement between City and Provider as to the extent of said impacts to time and compensation, this Agreement shall be amended. Execution of the amendment by City and Provider shall constitute Provider's notice to proceed with the amended scope.

**SECTION 16 - COMPLIANCE WITH LAWS, RULES, AND REGULATIONS**

All services performed by Provider pursuant to this Agreement shall be performed in accordance and full compliance with all applicable Federal, State, or City statutes, and any rules or regulations promulgated thereunder.

**SECTION 17 - SEVERABILITY**

This Agreement shall be administered and interpreted under the laws of the State of California. If any part of this Agreement is found to be in conflict with applicable laws, such part shall be inoperative, null, and void insofar as it is in conflict with said laws, but the remainder of the Agreement shall continue to be in full force and effect.

### SCOPE OF SERVICES - BASIC; COMPLETION SCHEDULE

#### Scope of Services - Basic

The Provider shall perform the following services:

#### **Task 1A – Groundwater Monitoring**

As specified in the Operations and Maintenance (O & M) Manual dated June 28, 2016, and in accordance with the Consent Decree, Provider shall perform groundwater monitoring using the 30 site-related wells on a semi-annual basis. The samples shall be collected using passive diffusion bags (PDBs) installed in each well. The O & M Manual will be included in the contract and adhered to for this project.

This task consists of sampling and testing groundwater twice a year to include the following:

- Purchasing 35 laboratory-filled PDBs for two semi-annual sampling events. A total of 70 PDBs shall be purchased for this subtask. The 35 PDBs for each event shall be utilized as follows: 30 shall be used for collecting primary well samples, two for duplicate samples, one PDB water blank, and two for use as replacements in case of breakage.
- Measuring the depth to water and total well depth of each of the 30 monitoring wells during each sampling event.
- Removing and sampling the PDBs that were previously installed in the 30 monitoring wells.
  - a) Decant the groundwater from the PDB's into laboratory provided containers which will be sealed, labeled and placed in a chilled cooler and transported to the lab using chain-of-custody (COC) protocol.

### **Task 1B – Laboratory Analysis for Groundwater Samples**

Provider shall contract with Eurofins Calscience for laboratory analysis of groundwater samples. Eurofins Calscience has been analyzing the groundwater samples for the project in accordance with the Field Sampling and Laboratory Analysis Plan (FSLAP) since 2003. They are accredited by the California State Water Resources Control Board's under their Environmental Laboratory Accreditation Program and the National Environmental Accreditation Program.

Eurofins Calscience shall analyze each groundwater sample for volatile organic compounds (VOCs) following EPA Test Method 8260B. Provider shall assume that Eurofins will analyze 33 samples for each semi-annual event.

### **Task 2A – O & M for Two Groundwater Treatment Systems**

Under this task, Provider shall perform the following activities for the O&M of the BCVE-1 GWETS and BCV-27 GWETS.

- Performing quarterly inspections of each GWETS. As the schedule allows, the O&M visits shall be performed simultaneously with the well sampling events described in task 1A. Each of these inspections shall consist of: recording the system totalizer reading, estimating the well pumping rate, cleaning the particulate trap, measuring the water depth in each system's extraction well, assessing the optimal well pumping rate based on the water level data, checking the above ground piping and carbon vessels for leakage; and testing the compound components (e.g. sump pump, high-level switches, emergency shutoff switch) for proper operation. Provider shall analyze flow data and adjust the system, as necessary.
- During each quarterly O&M event, Provider shall collect water samples from the influent, midpoint, and carbon vessel effluent sample ports and have them analyzed for VOCs by EPA Method 8260B. Services shall include collecting one duplicate and one travel blank during each visit. The samples will be collected directly from the system ports into laboratory provided container and submitted to the lab under COC protocol.
- One Carbon Canister change out of 1,000 pounds of carbon for each system including the transport and recycling of used carbon.
- Maintaining and repairing each system due to normal wear-and-tear.

Provider shall also assume that some maintenance and repair shall be required for each system due to normal wear-and-tear. Provider included \$2,300 in the cost estimate to cover these repairs. If significant repairs are required, Consultant shall request separate authorization prior to performing the repair work.

### **Task 2b – Laboratory Analysis for Treatment System Samples**

- Consultant shall contract with Eurofins Calscience to analyze the GWETS influent, midpoint, and GAC effluent water sample for VOCs following EPA Test Method 8260B. Consultant shall assume that Eurofins shall analyze eight water samples per

quarterly event.

### **Task 3 – Reporting and Project Management**

- Provider shall prepare semi-annual monitoring reports which shall include a summary of field activities and methods, tabulated groundwater elevation and analytical data, groundwater elevation maps, and concentrations maps. Provider shall also prepare trend plots for the contaminants of concern and update the O&M Manual as requested in the RFP. The report should also include an executive summary. Provider shall provide all revisions to the reports to achieve an approved status from the State of California.
- Provider shall use the Field Forms in the O & M Manual.
- This task shall include general project management including personnel and task management, subcontractor invoices, vendor invoices, quality assurance and quality control checks, and communications.

### INSURANCE PROVISIONS

#### General Liability Insurance

Consultant/Contractor/Provider shall obtain commercial general liability insurance (occurrence policy form) from one or more U.S. domiciled insurance companies licensed to do business in the State of California with an A.M. Best Company rating of "B" or better or, in the alternative, an unlicensed U.S. domiciled company or companies with an "A" rating, which provides coverage for bodily injury, personal injury and property damage liability in the amount of at least \$1,000,000 per occurrence, and \$2,000,000 in the aggregate, with a maximum policy deductible of \$5,000, or as approved by the City's Human Resources and Risk Management Office.

It shall be a requirement under this agreement that any available insurance proceeds broader than or in excess of the specific minimum Insurance coverage requirements and/or limits shall be available to the Additional Insured. Furthermore, the requirements for coverage and limits shall be (1) the minimum coverage and limits specified in this Agreement; or (2) the broader coverage and maximum limits of coverage of any Insurance policy or proceeds available to the named Insured, whichever is greater.

The insurance coverage required herein shall be evidenced by a certificate of insurance with policy endorsements and shall be executed by an authorized official of the insurer(s). In addition to the limits of coverage described above, the certificate of insurance shall provide that the insurer shall provide to City at least 30 days prior notice of cancellation or material change in coverage, or 10 days prior notice of cancellation for non-payment.

Consultant/Contractor/Provider acknowledges and agrees that City of Chico, its officers, boards and commissions, and members thereof, its employees and agents, are covered as additional insureds with respect to any liability arising out of the activities of Consultant/Contractor/Provider as the named insured. Such additional insured status shall be evidenced by a policy endorsement executed by an authorized official of the insurer(s). A blanket endorsement which provides additional insured status to any person or organization with

whom Consultant/Contractor/Provider, as named insured, has entered into a written contract, such as this Agreement, shall satisfy this requirement.

The insurance coverage required herein shall be primary and non-contributory insurance with respect to the City of Chico, its officers, officials and employees. Any insurance or self-insurance maintained by the City of Chico, its officers, officials or employees shall be in excess of the insurance afforded to the named insured by the insurance coverage required herein and shall not contribute to any loss. Such primary insurance status shall be evidenced by a policy endorsement issued by an authorized official of the insurer(s), and shall be at least as broad as CG 20 01 04 13. In the alternative, a letter issued by an authorized official of the insurer(s) and copies of the pertinent page(s) of the policy shall satisfy this requirement.

The limits of Insurance required in this agreement may be satisfied by a combination of primary and umbrella or excess Insurance. Any umbrella or excess Insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and non-contributory basis for the benefit of City of Chico (if agreed to in a written contract or agreement) before City of Chico's self-insurance shall be called upon to protect it as a named insured.

All self-insured retentions (SIR) must be disclosed to the City's Human Resources and Risk Management Office for approval and shall not reduce the limits of liability. Policies containing any (SIR) provision shall provide or be endorsed to provide that the SIR may be satisfied by either the named Insured or City of Chico. City of Chico reserves the right to obtain a full certified copy of any Insurance policy or endorsements. Failure to exercise this right shall not constitute a waiver of right to exercise later.

#### Completed Operations

Consultant/Contractor/Provider shall maintain insurance as required by this contract to the fullest amount allowed by law and shall maintain insurance for a minimum of five (5) years following the completion of this project. In the event consultant/contractor/provider fails to obtain or maintain completed operations coverage as required by this agreement, the City at its sole discretion may purchase the coverage required and the cost will be paid by consultant/contractor/provider.

#### Automobile Liability Insurance

Best Company rating of "B" or better which provides coverage for bodily injury, personal injury, and property damage liability in the amount of at least \$500,000 combined single limit for each occurrence. Evidence of such coverage shall be maintained by Consultant/Contractor/Provider and provided to City upon request.

#### Subconsultant/Subcontractor/Subprovider Insurance

Consultant/Contractor/Provider agrees to include with all subconsultants/subcontractors/subproviders in their subcontract the same requirements and provisions of this agreement including the indemnity and Insurance requirements to the extent they apply to the scope of the subconsultant/subcontractor/subprovider's work. Subconsultant/Subcontractor/Subprovider agrees to be bound to Consultant/Contractor/Provider and City of Chico in the same manner and to the same extent as Consultant/Contractor/Provider is bound to City of Chico under the agreement. Subconsultant/Subcontractor/Subprovider further agrees to include the same requirements and provisions of this agreement, including the indemnity and Insurance requirements, with any Sub-subconsultant/Sub-subcontractor/Sub-subprovider to the extent they apply to the scope of the Sub-subconsultant/Sub-subcontractor/Sub-subprovider's work.

#### Workers' Compensation Insurance

Consultant/Contractor/Provider shall, at Consultant/Contractor/Provider's expense, purchase and maintain in full force and effect workers' compensation insurance as required by Federal and State of California law. Consultant/Contractor/Provider shall also require all of Consultant/Contractor/Provider's subconsultants/subcontractors/subproviders to maintain this insurance coverage. Proof of workers' compensation insurance or other documentation acceptable to City evidencing such insurance coverage shall be provided by Consultant/Contractor/Provider or Consultant/Contractor/Provider's subconsultants/subcontractors/subproviders to City upon request.

The defense and indemnification obligations of this agreement are undertaken in addition to, and shall not in any way be limited by, the insurance obligations contained in this agreement.

#### Professional Liability Insurance

Consultant/Contractor/Provider shall obtain professional liability (errors and omissions) insurance, with a minimum \$1,000,000 limit, from one or more U.S. domiciled insurance companies licensed to do business in the State of California with an A.M. Best Company rating

of "B" or better providing coverage for services rendered to City under this Agreement.

Said insurance coverage shall be evidenced by a certificate of insurance which shall be executed by an authorized official of the insurer(s). In addition to the limits of coverage described above, the certificate of insurance shall provide that the insurer shall provide to City at least 30 days prior notice of cancellation or material change in coverage, or 10 days prior notice of cancellation for non-payment.

#### Tail Coverage
